

Pssst. Want to know how to get a free chess set?

The American Tournament Chess Club is giving away a **free** chess set (Vinyl roll-up board, chess pieces with extra queens and a vinyl zipper bag) whenever two people become members at the same time. How cool is that? Sign up today with a friend, or even someone you don't know, and one of you gets a free set.

The picture above is only a representation of the chess sets we are giving away. Yours may be different.

Visit our web site www.atcc.us to download a membership form from the Membership Page. To find out where we are playing visit the Weekly Games page.

Emperor Shawn Wit of Pacifica is the official mascot of the American Tournament Chess Club and he is helping us look for a new chess champion. Is he looking for you?
